AMQJ-001

Use the system's camera to read AR Cards. Simply place the AR Card flat on a surface and choose MAGICAL AR from the game's title screen. Go ahead and try it with the card above!

Location Guide

Castleton

You'll find all the buildings below in Castleton. The gates to all the different worlds, including Cinderella's World, Hundred Acre Wood, Alice's World, and Aladdin's World, are also located here.

McDuck's

Scrooge McDuck sells clothing and items at this posh store.

Boutique

Daisy sews snazzy new clothes for you from pieces you've collected.

Yen Sid's Tower

Acquire magic wands at this mysterious tower to use on your many adventures.

The Workshop

Chip 'n' Dale build furniture you can use to decorate your café.

Balloonist

Download items and pal around with other players via wireless play.

Shop of Wonder

Pick up all sorts of magical items (with amazing effects!) to add to your outfits.

Run Your Own Café

If you progress far enough in the game, you'll be able to run your very own café!

Gather ingredients and make delicious food.

Decorate your café with fantastic Disney-themed items.

Throw a party and invite your friends!

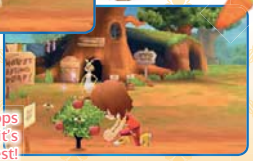
Cinderella's World

Dress up like Cinderella and go to the Royal Ball!

Tap in time with the rhythm to perform an elegant dance.

Hundred Acre Wood

Grow your own food with Pooh and his pals!



When your crops have ripened, it's time for harvest!

Take the ingredients to your café and make delicious dishes.

Alice's World

Shrink down and join Alice on a journey through Alice's World.

Adventure through the Tulgey Wood and the Queen of Hearts' Hedge Maze.

You might even find a recipe for tea to use in your café!

Aladdin's World

There's trouble brewing in Aladdin's city of Agrabah!

Talk with the townspeople to find clues.

Take a flight on a magic carpet to solve the mystery!

Once you've put an end to the trouble, Agrabah will grow even bigger.

Wireless Communication Mode

As you continue playing, you will be able to join friends online to play together. You can also download items. Talk to the Balloonist to display the Wireless Main Menu.

Note: For more information on wireless communication, please refer to the electronic manual.

Playing with Nearby Friends (Local Play)

Go to a friend's café or have a friend visit yours. Up to 2 players can participate. All players must have a copy of the software.

Starting Local Play

The host selects INVITE OVER while the guest selects VISIT. If you both select the same number, your connection will begin.

Downloadable Content (via the internet)

Connect to the internet to download all sorts of special items, such as outfits, furniture, and wands. Select what you want to download from the list of available items.

Note: Some downloadable content must be purchased with real money. See e-manual for more information regarding purchasing items.

For information about connecting your system to the internet, refer to the Operations Manual for your system.

Settings

Adjust settings for the StreetPass™ and SpotPass™ features here. You can also set your Comment and Greetings, which are used in wireless communication.

StreetPass

If you pass near another StreetPass enabled Nintendo 3DS™ system, the character from the other person's game will come to visit your town. To enable StreetPass, from the Wireless Main Menu select select SETTINGS then STREETPASS. To deactivate StreetPass, open the System Settings and select DATA MANAGEMENT, then STREETPASS MANAGEMENT. Touch the icon for this software title, then select DEACTIVATE STREETPASS.

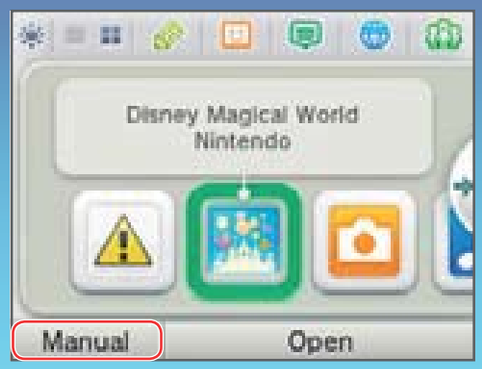
SpotPass

If you have SpotPass enabled, the system will search for LAN access points to the Internet via Wi-Fi and automatically download notifications, whether you are playing games or have the system in Sleep Mode. To enable SpotPass, go to System Settings, then INTERNET SETTINGS and then SPOTPASS. (You can also do so from the title screen.)

Note: You can restrict online interaction and/or StreetPass functionality via Parental Controls. For more information, refer to the Operations Manual for your system.

Electronic Manual

Select the icon for this software on the HOME Menu and touch MANUAL to view the electronic manual. Please read this manual thoroughly to ensure maximum enjoyment of your new software.



This software title includes an electronic manual to reduce the amount of paper used in its packaging. For support, please consult the electronic manual, the Operations Manual for your system or the Nintendo website. The electronic manual is available in PDF format on the Nintendo website.

IMPORTANT: Please read the separate Important Information Leaflet.
